

HEALING COURSE

Two year Healer Practitioner course.

Starts 8th September 2020

First year Tuesday mornings 9.30 am -11.30 am

This is a fully comprehensive and detailed two year study of the art of healing. That gives you the opportunity to examine and practice natural healing techniques.

Exploring through practice the science behind healing.

Energy and how it relates to our wellbeing.

Anatomy and Physiology from a spiritual perspective.

Why people don't heal.

The power of thought, meditation and mindfulness.

The law as it relates to healing.

Self development and self care.

Setting up your own practice.

Working at one of the busiest healing centres in the country (optional).

The course leads to registered Healer Practitioner status with The Healing Academy, and is professionally recognised The UK Healers, CNHC and GRCCT

UK Healers is the standard setting board for the Healing profession
